

## 2015 MAIL-IN AND COUNTER SALES INFORMATION

**Cutting Dates:** Friday, November 27 through Sunday, December 6

**Counter sales:** in-person sales will be at the South Platte Ranger District office beginning on Monday, November 2 at 8:00 am. Payments for counter sales include cash, checks, money orders, and credit cards. The South Platte Ranger District Office is located approximately six miles south of C-470 on Highway 285. The office will be open from 8:00 am to 4:00 pm weekdays for counter sales. The office will closed on Wednesday, November 11, in observation of the Veterans Day holiday.

Due to the large volume of mail-in requests that the District receives, some of the dates could possibly sell out before the counter sales begin.

Approximately 5,000 permits will be available in the Buffalo Creek cutting area this year. Only a certain amount of permits are issued each day. **Once a date has sold out, no additional permits will be available for that date.**

Individuals purchasing permits for other people (family members, friends, co-workers) shall provide lists of recipients. Permits cannot be re-sold or used for commercial purposes.

**Please note:** no on-site permits will be available for purchase, so please make sure you mail your request in with payment postmarked by October 28 or purchase your permit at the district office beginning on November 2. We expect all permits to sell out by mid-November.
